Scrip is usable just like money. It comes in paper certificates or plastic cards. You pay the same amount you would normally pay; and the church gets the discount from the merchant as soon as we place the order. It's a great and painless way to have someone else contribute to the church. It is very easy to use. You may even find yourself saving money because you are planning ahead.

If you have any questions, please feel free to take a look at the Great Lakes Scrip website at www.glscrip.com drop by the scrip table to look at the extended terms, or call or email Phyllis Culp at 626.535.0801 (evenings and weekends) or phylculp@pacbell.net

p.s.: if every member ordered just \$150 in scrip per month, the church could realize additional income of \$5,000 per month, or \$60,000 per year. And at no real cost to the members. Why not do it now? Make your normal purchases and let these merchants invest in our church.
