Dear Infant Parents/Guardians:

Each year, Neighborhood's Youth Religious Education program offers exceptional childcare for our infants, age three months and above. We are blessed to share space in the preschool building with Fair Oaks Child Development center and use their infant room for our care. The room is filled with developmentally appropriate toys & books. There is a quiet room with a rocking chair and cribs for sleepy little ones too.

While families are always welcome in church and in the narthex with their young ones, our staff is ready to look after your child when you are ready to make the transition. Please feel free to stop by and visit anytime, meet our staff and play with your child in the room. Parents are welcome and encouraged to stay with their child as long as needed to make the transition.

Here are a few logistical items should you choose to place your child in our care:

- ❖ **The first Sunday back to two services will be September 11<sup>th</sup>, 2011.** This is a welcome back Intergenerational Service and children are welcome, but we do offer infant care as an alternative.
- ❖ **All families participating in YRE or childcare must complete a registration form.** These forms are crucial because they include emergency contact information, and space for you to inform us of any allergies or special needs your child may have. Forms are available on this website. **Please return your completed form no later than August 31<sup>st</sup>.**
- ❖ We ask parents of infants, toddlers and preschoolers **to sign their children in and out each week.** We also ask you to leave your cell phone number, and to put your phone on vibrate, so we may reach you if your child becomes inconsolable.

**Please return the registration form as quickly as possible—no later than August 31<sup>st</sup>. As always, please feel free to contact me with any questions or concerns.**

Thank you for your involvement; thank you for recognizing the need for religious education in your children and youth's lives...thank you for adding your presence to this community.

See you in church,
