Announcements

301 N. Orange Grove Blvd. Pasadena, CA 91103 (626) 449-3470 information@uuneighborhood.org

TODAY – FEBRUARY 7, 2010

The **GLOBE Forum**, "Global and Local Opinions Based on Evidence," will meet today at 10:30 a.m. in the Neighborhood House Living Room. Common reading, as always, will be recent issues of the *ECONOMIST*. For further information contact Jack Wills at jwills@usc.edu.

VOYAGers, the Very Old Young Adult Group, will hold its **monthly brunch** following the 2nd service (12:30 p.m.). If you are in your 20s or 30s, this is the group for you! Meet on the patio near the Welcome Table. The group will be going to The Novel Café (1713 E. Colorado Blvd).

A **flower dedication book** is a lovely way to honor or celebrate someone or something special--and to share your news with our church family. The cost is \$35, all of which goes to Neighborhood Church. Sign up at the **Neighborhood Market** table on the patio between services with the wording you would like in the order of service.

The church office will be closed Wednesday, February 10 for the annual staff retreat.

Coaches wanted for Girls on the Run Los Angeles, an afterschool program that prepares girls for a lifetime of self-respect and healthy living. You don't need to be a runner! All sizes and shapes welcome! Coaches are women and men who commit 1.5 hours once or twice a week for 12 weeks at a local site. Together with other coaches, you lead a team of 8 - 15 girls through games, activities, and exercise using a detailed, interactive and *very fun* curriculum. The only requirement is that you support our mission and message of making healthy choices. Coaches trainings are Feb. 13, 20 (Pasadena), & 27. To learn more, go to www.gotrlosangeles.org or email noemy@gotrlosangeles.org.

7th Principle Tip: Think globally, drink locally. We Californians are blessed with not only year round fresh local fruits and vegetables; we also have some of the world's best wines. Not only is wine heavy to lug home from the store, wine shipped from over seas burns lots of fossil fuel. Still need convincing? Pick up a nice CA chardonnay or cabernet and rent *Bottle Shock*, a fun movie based on an actual blind competition between French and Californian wine. Guess who won?
