301 North Orange Grove Blvd. Pasadena, CA 91103-3599
(626) 449-3470 office (626) 449-3472 fax www.uuneighborhood.org

TODAY – DECEMBER 28, 2008

Now is the time, before Dec. 31, to pay off or pay ahead your pledge in order to claim the charitable contribution on your tax return. Please do what you can to help the church catch up. Thank you!

- Please return **Guest at Your Table boxes** today and January 4. Boxes can be left in the Narthex. Guest at Your Table is a meaningful and simple way to incorporate faith into your family's life. For more information, please contact Beth Colcord at (626) 449-3470 or bcolcord@uuneighborhood.org.
- **Photo Pickup** - As you know, we are in the process of taking family photos for our new photo directory. If you did not order additional photos, your complimentary 8x10 portrait will be sent to the church. Please stop by the Welcome Table this morning to pick it up. If your portrait is not in the box, it will arrive shortly. Please check again at next week's service. *And if you have not yet had your photo taken, we have only two days left with availability (12/29 and 12/30.) Please schedule an appointment at the Welcome Table or call the church office.*
- Don't forget to bring food items every Sunday morning for **Neighborhood Church's on-going Food Drive**. Especially good items are wheat cereals, wheat pastas, oats, canned proteins (tuna, chicken, etc.), and jam.

UPCOMING EVENTS AND ANNOUNCEMENTS

- We're greening the neighborhood! Save the date for our first annual **Neighborhood Green Fair**, here at Neighborhood Church. Saturday, January 31, 2009, from 10:00 a.m. – 4:00 p.m. Tips and Demonstrations for every budget, featuring local food, local business, church partners, and local musicians. Sponsored by the Seventh Principle Committee. For more information or to volunteer, contact Nancy Busacca at busacca@sbcglobal.net.
- According to the National Resources Defense Council (NRDC), video game consoles in the US use approximately the same amount of electricity as every home in San Diego combined. Save money, save power, save the planet. Turn off your Xbox 360 or Sony Play Station when you aren't playing. Letting friends and family in on the secret can save them money too.
